Manufacturer Cejn

CEJN automatiska slangvindor, max 16 bar: SAC 121011

Description - CEJN Automatic. Hose reels 10m. 11 x 16mm hose

Function:

The hose can be drawn out and can be locked several times with every rotation of the drum. After a pulling a little, the drum retracts the entire hose.

Materials:

Body and drum: plastic, mounting bracket: steel, painted black, hose: fabric-reinforced polyester polyurethane (blue)

Temperature range:

-20°C bis +60°C

Scope of delivery:

Automatic hose reel with PU hose, stopper and thread connections on the hose ends, mounting bracket (pivoting) with quick-lock function

*Hose: polyether polyurethane, green, water must not freeze

All data are to be understood as non-binding reference values! We do not assume liability for any data selection not confirmed in writing. Unless otherwise specified, pressure values refer to liquids from Group II at +20°C.
